An industrial tour for the Second year of B. Pharmacy and First year of D. Pharmacy was organized at Beta drugs Limited (BDL). The visit was organized on Saturday 16th February, 2019.

The participants in the visit were: 10 Students from D. Pharmacy Ist year, 21 Students from B. Pharmacy IInd year and 2 Faculty members

Beta Drugs Ltd. is a dedicated world leader in oncology formulation and development activities. BDL is a Global leader in the development of enabling products, scientific knowledge, and technical expertise within a wide range of applications.

After the interaction students were divided in each 10 for the round in the unit. In this round students were taken through Production department, storage facilities, manufacturing facilities, packaging facilities, QC and QA department etc. and The visit was so exciting and interactive that it took us around two and a half hours to just have a look on available facilities. At the end after coming out of the company, students individually thanked the officials for permitting them to visit such an exceptional pharmaceutical unit. They also appreciated the College for organizing such an event, which will help them decide their path towards success in future.

The tour was comfortable and entertaining.
