

Sachdeva College of Pharmacy, Gharuan

Industrial visit to Sun Pharmaceutical Industries Ltd., Mohali (Nov 02, 2019)

An Industrial tour to Sun Pharma, Mohali was organised for the fourth year students of B. Pharmacy. The areas visited were production and quality control departments. The visit was organized on Saturday, 2nd November, 2019.

The participants in the visit were 10 students for Production department and 11 students for quality control department along with 3 Faculty

Sun Pharma is an Indian multinational pharmaceutical company headquartered in Mumbai, Maharashtra that manufactures and sells pharmaceutical formulations and active pharmaceutical ingredients (APIs) primarily in India and United States. Sun Pharma is the fourth largest global speciality generic pharmaceutical company in the world and No. 1 in India.

After the tea and interaction session with the head of QC department. Students were allocated to production and QC groups for the round in the unit. In this round Production group students were taken through Production department, storage facilities, manufacturing facilities, packaging facilities. The QC group students were given exposure to QC and QA department.

After that students had lunch organized by Sun Pharma. The visit was so informative, enlightening and interactive that it took us around two and a half hours to just have a look on available facilities. In the end Principal Sir appreciated the efforts of Sun Pharma officials by presenting a souvenir to Head of HR Department as a token of gratitude, and thanked the officials for permitting them to visit such an exceptional pharmaceutical unit. The sun Pharma officials also appreciated the College for organizing such an event, which will help the students to decide their path towards success in future.
