AN INSTITUTE PAR EXCELLENCE

With its 11 years recorded history we are not sitting on our laurels, we have grown as one of the most innovative and active campus in the region.

We aspire to make GGS-Sachdeva Group one of the nation's renowned engineering institutes, recognized nationally for excellence in engineering education. We seek to be preferred choice of students seeking engineering education and advanced engineering knowledge. Hence we strive hard to produce employable graduates. To accommodate the growing demand of quality education, GGS-SACHDEVA Group of Institutions established campuses at Kharar and Gharuan. It also diversified in health care by setting up an ultra-modern Sachdeva College of pharmacy at Gharuan complex.

Academic Philosophy @ GGS-SACHDEVA Group

Basic academic philosophy at GGS-Sachdeva Group includes:

- Focus on Educating then teaching
- Engaging students after college hours

RIGHT LEADERSHIP THE COMMAND OF GROWTH

Right leadership at right time can provide the impetus required for the sustainable growth of a student and progress of a nation. It is necessary that such students are groomed in all walks of life including industry, education, overall personality and basic human values. With this view, GGS-Sachdeva Group conducts various training programmes & takes timely initiatives to mould innocent students into mature and experienced youth.

"Stop thinking of what could go wrong and start thinking of what could go right"

Personality Development @ GGS-SACHDEVA

In addition to technical education, personality program at GGS-Sachdeva is not only about interviews and group discussions. We help you to bring about a balance between assessing and knowing yourself because we believe that "knowing oneself is half the battle won". The key elements of this Personality Development Training are "Self Exploration", which happens at following levels:

- Personal and Interpersonal skills
- Public Speaking
- Time, resource and priority management
- Leadership & Successful relationship
- Overcoming worries & Criticism
- Presentation Skills
- Communication skills
- Healthy mind & Decision making

COUNSELLING AND MENTORING

Present day students like to make decisions on their own and plan their future by themselves. Employers expect students to have multi-dimensional competency, leadership skills, and strong communication skills. GGS-SACHDEVA's counseling cell interacts with the aspiring students and guides them regarding career opportunities so that the students may choose the right career path that shall gainfully exploit their skills and talents.

WE DREAM BEYOND

Strategic plan at GGS-Sachdeva, since its very establishment, has moved forward on the principle that an intellectually stimulating environment and a lively, engaging campus life will attract outstanding students and help them realize their fullest potential. Thus, we needed to dream beyond what is possible. Everything that we see today remains a dream before it becomes reality. For this we strive:

- To produce quality manpower equipped with human and social values required to provide integration of technical skill, social character, leadership, self-confidence, creativity and renovation for benefit of mankind and sustainable development of India.
- Contributing to knowledge, creation, development, up gradation, dissemination and application by conducting research on the emerging disciplines, by workshops and by publishing books, research reports and research papers in journals of National and International standing.

Life @ GGS-SACHDEVA CAMPUS

Apart from providing world-class technical and professional education, GGS-SACHDEVA also takes great care of the health and welfare of its students.

- Separate hostels for boys and girls with WI-FI facilities are provided.
- Hygienically cooked meal and other snacks are well appreciated at the hostel.

Our Sachdeva Engineering College for Girls provides a safe and secure environment to its Girls students by providing

- A fully guarded campus with inbuilt protected hostel.
